

**Category A projects under review for which  
environmental information is available**

*Updated 23/12/09*

Project	Location	Sector	Information disclosed	Access to information	Posting date
Kribi Gaz Power Plant	Cameroon	Gaz Power Plant	Environmental and Social Impact Assessment Report (October 2006)	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2007, March 1
Taishan	China	Nuclear Power Plant	Environmental Assessment Summary Report (October 2009)	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50  In addition, more information will be disclosed at a later stage.	2009, November 2
Nuclear 1	South Africa	Nuclear Power Plant	A preliminary guarantee commitment could be issued in a near future for the applications associated to this project, with a number of conditions, including environmental and social requirements.  Some environmental and social information are available at: <a href="http://www.eskom.co.za/live/content.php?Item_ID=4011#applications">http://www.eskom.co.za/live/content.php?Item_ID=4011#applications</a>  More information will be disclosed at a later stage.		2008, June 13
Guinea Alumina	Guinea	Mining	Social and Environmental Assessment (SEA)	The documents can be downloaded at the following address:  <a href="http://www.guineaalumina.com/">http://www.guineaalumina.com/</a>	2008, August 11
Victorian Desalination	Australia	Desalination plant (total capacity : 150 GL per year),	Environment Effects Statement (Feb	Environmental and social information are available at:	2009, May 25

Project		along with a 85km transfer pipeline (to connect the plant to Melbourne' water supply system) and power transmission infrastructure (underground or overhead)	2008)	<a href="http://www.ourwater.vic.gov.au/programs/de-salination/environment2">http://www.ourwater.vic.gov.au/programs/de-salination/environment2</a>	
Chichoki Mallian	Pakistan	Combined cycle power plant (gas, 525 MW)	Environmental Impact Assessment (March 2007)	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2009, May 25
Medupi	South Africa	4800MW Coal power plant	Environmental Impact Assessment	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2009, August 5
Kusile	South Africa	5400MW Coal power plant	Environmental Impact Assessment	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2009, August 5
Bharat Aluminium	India	Aluminium smelter extension from 250.000 tpa to 900.000 tpa	Environmental Impact Assessment	The document will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2009, August 5
WACS (West African Cable System)	Portugal – South Africa	Submarine cable system from South Africa to Portugal, with 11 intermediate landings. The total length will be around 14 000 km.	Initial Environmental Analysis (June 09) <sup>1</sup>	The document can be downloaded on the following link: <a href="http://www.coface.fr/dmt/_docs/R_UK11_14_605_01_WACS_IEA_with_figures.pdf">http://www.coface.fr/dmt/_docs/R_UK11_14_605_01_WACS_IEA_with_figures.pdf</a>  Further information will be provided upon request to Coface /DGP Environmental unit : Renaud Tahon 01 49 02 14 50	2009, August 7
Jubail Refinery and Petrochemical Project	Saudi Arabia	Refining and petrochemical complex (total capacity : 400,000 barrels per day)	ESIA (June 09)	The document can be downloaded on the following link: <a href="http://www.coface.fr/dmt/_docs/Jubail.pdf">http://www.coface.fr/dmt/_docs/Jubail.pdf</a>	2009, Dec. 7

<sup>1</sup> The landing points and routes are still subject to change since much of the survey work on the project remains to be completed.

Enlargement of the rock crushing plant belonging to Norsk Stein a/s, in Berakvam.	Norway	Enlargement of an existing rock crushing plant and of the associated existing quarry.	Consequence analysis (August 08)	The document can be downloaded on the following link: <a href="http://www.coface.fr/dmt/_docs/Norsk-stein-AS.pdf">http://www.coface.fr/dmt/_docs/Norsk-stein-AS.pdf</a>	2009, Dec 23
